

# US LETTER

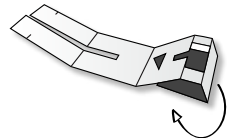

Print the template on  
US Letter paper (220-270 g/m)

Pre-fold each dashed line with the  
blunt side of stanley knife blade

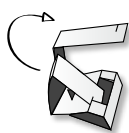

Cut all the black lines  
with the stanley knife

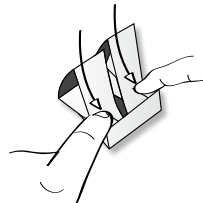

Fold and insert the  
tab in the slot

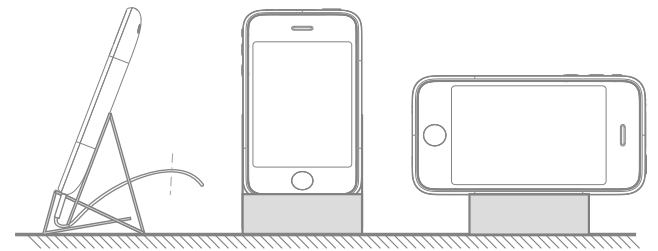

Fold and insert  
the two parts with the notches

Press lightly  
to complete the shape

## Paper Iphone dock/stand
